

BUTLER YOUTH BASEBALL

Sponsors for 2026

Little League

Dear Community Partner,

We're excited to invite you to be a part of **Butler Youth Baseball's 2026 Little League season!** Each spring, summer, and fall, hundreds of local kids take the field to learn teamwork, sportsmanship, and a lifelong love of the game — all thanks to the support of community-minded businesses like yours.

Over the last several years, our program has enjoyed remarkable success — winning **three of the last four Little League District 25 Championships**, capped off by a **trip to the Pennsylvania State Championships in 2025**. This tradition of excellence is made possible through the generous backing of our local sponsors.

Your sponsorship helps provide uniforms, equipment, field maintenance, and — most importantly — ensures that every child has the opportunity to play, regardless of financial ability.
